

# PUBLIC MEETING

## Town of Madrid Community Development Strategic Plan

### *Community Development Strategic Plan*

A *Community Development Strategic Plan* is underway for the Town of Madrid. It will have a community vision with specific goals and strategies to revitalize the local economy, guide future investment, and assist with community revitalization.

### *Workshop Outcomes*

The purpose of the public workshop is to expand on the “preferred future” or “vision” for the Town. Through this visioning exercise, participants will be asked to identify:

- What specific enhancements and improvements are needed?
- What would make the Town a better place to live in?
- What economic development opportunities should the Town explore?
- What infrastructure improvements are needed?
- What can the Town do to help you with your home and improve the Town’s housing conditions?

*Help Us Answer these Questions!*

### Public Workshop

**Date:** September 22, 2011  
**Time:** 7:00 PM — 9:00 PM  
**Place:** Madrid Community Building

### Community Resident Survey

**Date:** **Available Now** until Sept. 29, 2011
